

PEACE is the acronym for Parent Enrichment Association Committed to Education; formerly known as Parent Advisory Council (or more commonly known in short, PAC)

The name may have changed but the purpose continues to be the same; to provide for enriched educational experiences for our children. In the past years, fundraising has subsidized fieldtrips, gym equipment, etc and it will continue to do so based on parents' feedback.

St. Benedict students are fortunate to have a strong parent volunteer base. PEACE will continue to spearhead fundraising and organizing school activities such as; Hot Lunch, School Dance, Spirit Days etc.

PEACE is comprised of volunteer parents/guardians of students attending St. Benedict Catholic School. All parents/guardians of students attending St. Benedict School are automatically members of PEACE.

In addition, PEACE uses the "town hall" or "assembly" model for our meetings and invites you to share your voice!

Serving in the name of Christ,  
Karla Hancar  
PEACE President
