

September 2025 Leduc Trustee Report for School Council Trustee Jolyne De Marco

Welcome back to a new school year! I am grateful for the dedication of our School Councils in supporting our students, families, and schools. Your commitment helps strengthen the home, school, and parish relationship that is at the heart of Catholic education.

Loving God,

We ask Your blessing upon our students, staff, and families as a new school year begins. May our schools be places of faith, learning, safety, and joy. Guide our School Councils as they serve in partnership, and may all we do be rooted in Christ's love. Amen.
